FELLOWSHIP FOR TRAINING OF YOUNG SCIENTISTS (FTYS) OF MADHYA PRADESH

OBJECTIVES

The aim of the scheme is to encourage young scientists of the State to take up research studies in emerging and frontier areas of Science & Technology related to their field. The training is expected to provide the candidates with an opportunity to work with the latest equipments and facilities under the well-known experts. It is believed that such an exposure will equip the FTYS trainees to initiate independently advanced research programmes in their respective institutions.

DURATION OF TRAINING/STUDIES

Normal duration of training will be of three months only. However, in special cases this can be extended up to a maximum of six months. The application along with the progress report and recommendation of host scientist/expert for extension of training period should reach this office not later than one month before the date of expiry of the training.

ELIGIBILITY

The Scientists/Teachers should be employed on a regular basis in any of the R&D Institutions, Universities, Deemed Universities, Science/Engineering/Medical/Agriculture Colleges, or the Industry R&D Centres located within the State are eligible for consideration under this scheme. Registered Research Scholars who are not getting fellowship/financial support from any agency are also eligible for this scheme. In addition to above, M.P. Young Scientist Awardees may also avail this fellowship within two years time period after receiving the award in pursuance of his/her research work on which award has been given. The age limit is 35 years on or before 31st March of year of application.

TRAINING INSTITUTIONS

- Universities/Deemed Universities/Science/Engineering/Medical/Agriculture Colleges recognized by UGC/AICTE/ICMR/ICAR.
- IITs/NITs.
- Network of R&D institutions/laboratories established by CSIR/ICMR/ICAR/DAE/DOD/DRDO/ISRO.

FINANCIAL SUPPORT

Those selected candidates who are not getting any salary/fellowship will be paid Rs. 5,000/- (Rupees Five Thousand) per month and those already employed shall get Rs. 3,000/- (Rupees Three Thousand) per month as stipend but all the candidates will be paid a maximum of Rs. 2500/- (Rupees Two Thousand Five Hundred) per month as contingency expenditure during the period of training. The selected candidates will get one time to and fro train fare (limited to 3AC class)/bus fare on production of journey proof from their institution to the approved institution where he/she will avail fellowship.

CONDITIONS

The sponsoring institutions will have to treat the candidate either on duty or provide them study leave with full pay during the training/studies period. This fellowship will not be awarded for training/studies in parent institutions.

APPLICATION

Applications under FTYS scheme should be submitted in four copies in the prescribed proforma to the MPCST through the Executive Head of the Institution. The application may be submitted any time during the year but atleast two months before proposed start of the training/study.

Applications should be addressed to:

**The Director General,
M.P. Council of Science and Technology,
Vigyan Bhawan, Nehru Nagar,
Bhopal – 462 003.**

NUMBER OF FELLOWSHIPS

25-30 candidates per year, depending upon the budget availability.

REPORT

On return from training, the scientists will be required to submit the certificate and a report with full vouchers and details on the work performed during the tenure of the fellowship. The report must be authenticated by the institute where fellowship was availed and should be sent through proper channel.
